I. STATUTORY DIRECTIVE

The Administrative Rules Oversight Committee is a permanent eight-member Committee, established under Indiana Code 2-5-18-4, whose purpose is to ensure that rules adopted by state agencies comply with the intent of the statutes that authorize the rules.

The Committee meets at the direction of its chair, and typically deals with the following matters: (1) citizen complaints concerning agency rules or practices; (2) violations of the time frames within which agencies must promulgate and adopt rules; and (3) proposed agency rules that may have an economic fiscal impact of \$500,000 or more.

Based on its findings, the Committee may make recommendations to an agency that a rule be modified, repealed or adopted. The Committee may also introduce legislation to make the statutory refinements necessary to correct an agency practice or regulation it deems is not in keeping with the Indiana Code.

II. INTRODUCTION

The Administrative Rules Oversight Committee did not meet in 1998.

The Committee is not required to file a final report.
